"Edutainment" with MITHM TO5104 Students

Event Details

For me, JCU Brisbane was the right choice.

At JCU Brisbane I have found, the University as a whole encourages students to have better attitude to study, which as a result maximises the possibilities for our futures.

Studying under the guidance of teachers that I can trust, I tell myself over and over again that I should not give up on anything until I get to the right place where I can display my abilities.
