The Learning Centre

The Learning Centre (TLC) is staffed by qualified and experienced Learning Advisers who work with students to give practical advice and strategies to master the academic, language and numeracy skills needed to study successfully in an Australian university. Learning Advisers work with students from all programs and at all levels to with a view to improving the students' results and overall study experience. From students who experience difficulty adjusting to the academic requirements of tertiary study through to high achieving students who are aiming for excellence, all are welcome at The Learning Centre and will be supported and assisted by our Learning Advisers. Learning Advisers also work closely with the Faculty to ensure that the help students get is targeted toward their studies.

The Learning Centre offers a drop- in service, one-to-one appointments, small group sessions and skills workshops which are advertised regularly. This means that students have an abundance of opportunities to get the support, advice and assistance needed to achieve the results they desire
