Madoka MogiJapan - Bachelor of Business (Marketing)

"For me, JCU Brisbane was the right choice.

At JCU Brisbane I have found, the University as a whole encourages students to have better attitude to study, which as a result maximises the possibilities for our futures.

Studying under the guidance of teachers that I can trust, I tell myself over and over again that I should not give up on anything until I get to the right place where I can display my abilities."
